

SEWAGE PUMP CUTAWAY MODEL

RQ 269

Description:

Sewage pumps are used to drain liquids and to transfer them to a sewer system or a septic tank. The cutaway models are clearly laid out on display panels or base plates. A short description and a sectional view are included, so the models can also be used for technical drawing exercises.

Applications:

1. Familiarizing with pumps parts

Dimensions (L*W*H) mm: 800×700×1300
